BAF Performance Horses agrees to diligently try to settle the Owner's mare. The Mare Owner agrees to give BAF Performance Horses ample time to settle the mare. If the Mare Owner fails to return the following year, then any and all fees paid shall be forfeited, the right to rebreed is canceled and BAF Performance Horses is released from all obligations of this contract. The Live Foal Guarantee shall pertain to mares that are pronounced **Safe in foal by a veterinarian within 90 days** after the last breeding date. A live foal is defined as one that will stand and nurse without assistance. If the foal dies at birth or has to be put down for any reason, Mare owner agrees to furnish BAF Performance Horses, within 7 days, a veterinary's note stating the occurrence and rebreed privileges will be available.

The **LFG** in this contract is for the mare and owner(s) listed and is non-transferable. However, the stallion owners may at their discretion, continue to honor the live foal guarantee that was granted to the original owner. In the event that BAF Performance Horses agrees to the transfer of the **LFG** rights as written in the terms of the contract, then the new owner agrees to submit a signed contract to BAF Performance Horses. If the mare dies or becomes unfit to breed, the Mare Owner may substitute a mare. Rebreed privileges will be available.

Breeder's certificate:

A Breeder's Certificate will be issued for the foal when the mare has produced a live foal from this breeding and all expenses due BAF Performance Horses have been paid in full. Mare Owner is responsible to contact BAF Performance Horses and notify them of the foal's arrival.

Accidents, death or injuries:

If the above named stallion dies or becomes unfit for service for any reason, then this contract will be null and void and both parties are relieved of any further obligation. Any monies paid by the Mare Owner toward the Breeding Fee, except the \$200 booking/farm fee, shall be refunded to the Mare Owner, if the mare is not settled.

It is further agreed that BAF Performance Horses shall not be held responsible for disease, accident, sickness or death of the mare and/or foal while under their care. BAF Performance Horses will not hold Mare Owner responsible for any disease, accident, or injury to their stallion, mares, or foals.

If for any reason the mare does not settle, even after the use of rebreed privileges, the Mare Owner will hold BAF Performance Horses harmless and the breeding fee will be refunded with the exception of the \$200 booking fee/farm fee.
